TRAFINA ENERGY LTD. INCREASES AMOUNT TO BE RAISED UNDER ITS PREVIOUSLY ANNOUNCED PRIVATE PLACEMENT FINANCING

Calgary, Alberta – November 6, 2009 – Trafina Energy Ltd. ("Trafina" or "the Company") is pleased to announce that it has agreed with Acumen Capital Finance Partners Limited to increase the amount to be raised under its previously announced private placement financing of flow-through shares and units from up to \$2 million to up to \$2.5 million, of which \$1 million will be sold on a bought-deal basis and up to \$1.5 million may be sold on a best efforts basis. All other terms of the private placement announced November 5, 2009 remain unchanged.

The flow-through shares and units will be offered for sale pursuant to applicable exemptions in certain provinces of Canada at a price of \$0.38 per flow-through share and \$0.35 per unit. The actual number of flow-through shares and units sold pursuant to the private placement will not be known until closing, and such number may be less than the full amount offered for sale under the private placement.

Closing of the private placement is expected to occur on or about December 3, 2009 and is subject to certain conditions including, without limitation, the receipt of all necessary approvals including the approval of the TSX Venture Exchange.

The securities offered have not been and will not be registered under the U.S. Securities Act of 1933, as amended, and may not be offered or sold in the United States absent registration or applicable exemption from the registration requirements.
